RETRAX XR SERIES - DT

Prepared for whatever the task may be. No matter whether you may be hauling cargo for work or roaming the outdoors on the weekend, rest assured that the Retrax XR Series is up to the task! The rolling mechanism grants you easy access to your cargo while the heavy-duty construction and extra lock ensures secure transportation. Sliding the cover is easy, and it can be secured in any position along the rails. The Powertrax variations offer even more comfort with their key-fob controlled power-sliding mechanism. If your bed space runs out, don't worry, the integrated T-slots enable you to add cross bars and T-slot accessories from various manufacturers to easily expand your truckbed's functionalities!

FEATURES

- T-slot siderails
- Lockable in every position
- Smooth ball-bearing slide mechanism
- Available with power-sliding operation
- Scratch-resistant polycarbonate or aluminum
- Low profile design
- Theft-proof key lock

BAKFLIP MX4 - DT

This heavy-duty, all-season truck bed cover is designed to perform in extreme conditions. The latest generation of MX4's resilient infrastructure is for everyday use, featuring upgrades to the prop rod clips, rails, elevator bolts, and the A-panel and B-side bumpers that provide enhanced functionality and a more complete matte-finish look and feel. Cab corner caps, clamps, and elevator bolts feature a matching matte finish for a more streamlined look and feel. Other MX4 features include an enhanced functionality with pre-molded, die-cut, shock-absorbent bumpers and secure prop rod clips.

FEATURES

- Premium matte finish
- Durable aluminum panels
- Rated up to 180 kg of evenly distributed weight
- Dual-action tailgate seal, improved water-resistance
- 100% bed access tri-fold cover
- Corner caps featuring a softer seal
- Pre-molded and die-cut a-panel and b-side bumpers

BED ACCESSORIES AND STORAGE RAM DT

MOPAR BED DIVIDER

SKU: 82215481

RAM bed dividers let you keep smaller cargo or groceries in place as you drive, preventing sudden shifting and damage to your goods. The dividers are also adjustable so that you can load items with different dimensions on your truck bed.

Requires Pickup Box Utility Rails (82215285AB), sold separately.

Not compatible with the RamBox Cargo Management System.

MOPAR BED STEP

SKU: 82215289AG

Get easy access to your truck bed even when your tailgate is down with the reliable Mopar bed step. Manufactured from high-strength aluminum with a black powder-coat finish and rated to support 135 kg. This easy-to-use, flip-down step mounts to vehicle frame and stores under the rear bumper when not in use and is spring-loaded for easy deployment.

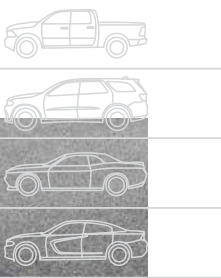

MOPAR 5'7 BED UTILITY RAIL KIT

SKU: 82215789

These genuine Mopar Sport Utility Bars are made from heavy-duty black anodized aluminum and allow for quick carrier installation.

Requires Pickup Box Utility Rails (82215285AB), sold separately.

Not compatible with the RamBox and multifunction tailgate.

8 TRUCK BED STORAGE SYSTEM

SKU: 82215517AC

The drawer system provides two locking cargo storage boxes and complete bed protection (headwall, bed and tailgate liners). On top, the heavy-duty cover accommodates a true 905 kg payload, allowing full use of the bed area. Mopar® innovative ActivGate Cargo Management offers endless storage and cargo hauling functionality.

For 5'7 Beds.

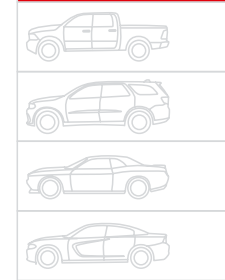

Not compatible with the RamBox and multifunction tailgate.

BEDRUG

Molded to fit RAM 1500 DT, this liner looks great and fits like a glove. It creates a void-free surface without damaging your truck and allows easy access to factory tie-downs and accessories. Its non-skid surface keeps your cargo in place, and a built-in hinge between the truck bed and tailgate prevents debris from collecting. The BedRug polypropylene material is fade and UV resistant. Made of foam similar to that used in life jackets, it does not absorb water and will not mold. Water will simply run off the surface, through the zippered perimeter, out the factory drain holes in the truck bed and will dry in as little as 20 minutes. Clean it with a power washer or vacuum and your BedRug is good as new.

9

FEATURES

- Rugged construction for heavy cargo
- Anti-skid surface prevents cargo from sliding
- 3/4" cushioned floor protects truckbed
- Waterproof, chemical & stain resistant
- Easily cleaned with just water
- Engineered for exterior use
- Installed without bedliner or on spray-in
- Usable with or without most truckbed covers and accessories

Anti-skid Surface

Custom Fit for RAM 1500 DT

Waterproof & Stain resistant

AVAILABLE VARIATIONS

Bedrug DT, 5'7

SKU: BRT19CCK
Material: Polypropylene
Bed Preparation: Fits without Bedliner or with Spray-In

FITMENT AND INSTALLATION

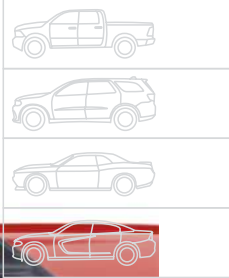

Fits RAM 1500 DT Models without RamBox and Multifunctional Tailgate. Installation Time: 60 min. Optional Kit for Spray-In may be required.

MOPAR RAMBAR

SKU: 82215959

The Rambar enhances your truck with a unique and sporty design. The robust tubular construction with a powder-coat matte black finish easily mounts to the truck bed using stake pockets. No drilling required. Tire carrier and offroad lights not included.

MOPAR BED MAT

SKU: 82215784AB

Protect and preserve your truck's bed floor and tailgate from dents and scratches. Mopar Bed Mats are made of crack-resistant, flexible, heavy-duty compressed rubber to protect the bed floor against scratches, dents, dings and corrosion. The Mat features molded-in ribs to reduce cargo shifting, make loading and unloading easier and promote water drainage. Contains two dedicated mats: one for the 5'7 truckbed and one for the tailgate.

MOPAR BED EXTENDER

SKU: 82215724

Flipped around, this versatile accessory can also serve as a convenient divider to keep cargo from sliding towards the front of the bed. Two molded-in grocery bag hooks/hangers are included.

MOPAR OFF-ROAD 5-INCH LED LIGHT KIT

SKU: 82215274AD

This commercial grade light kit provides an exceptionally bright, fully illuminating light source needed for safe off-road driving. Kit contains two off-road 5-Inch LED lights, light covers with Mopar logo, wiring harness and switch for dashboard installation. Use with mounting brackets (Part Number 82215729 - sold in sets of two) for easy installation on Mopar Rambar or other round profiles.

YAKIMA BEDROCK HD SYSTEM

SKU: YA8001160

Sleek and strong, the BedRock HD's low-profile design allows the use of any universal gear mount while preserving valuable bed space—all while maintaining a 135kg on-road rating and 81kg off-road rating. Use together with Yakima HD Crossbars (YA8001157) to accommodate universal fit bike carriers or other rack-mounted accessories.

YAKIMA OVERHAUL HD (TOWERS ONLY)

SKU: YA8001151

For weekend adventures and hardworking weekdays, the Overhaul HD adjustable truck rack offers best-in-class payload and unmatched versatility. Leveraging our new HD Bars for a 226 kg on-road carrying capacity or 136 kg Off-Road Rating, the OverHaul HD truck rack is the ideal foundation for heavy loads. The crossbar height can be adjusted to suit your needs: way up, for long loads to go over the cab—or down low, to get the rack out of the wind. The uprights are easy to take on and off in minutes, so the truck's only racked-up when needed. For RAM 1500 the OverHaul HD truck rack pairs with the Yakima HD Crossbars YA8001157 (sold separately), and accepts our SideBars™ for attaching off-road and utility accessories. Multiple tie-down points and the ability to fit most truck beds—including select tonneau covers with the help of the Yakima Tonneau kit YA8001155—make this an ultra-functional rack that works and plays as hard as you do.

YAKIMA TONNEAU KIT

SKU: YA8001155

Now you can haul a ton of gear without sacrificing the security of your covered bed. This kit adapts Yakima's OverHaul HD™ and OutPost HD™ truck rack systems to work with the integrated tracks on Retrax XR Series or Pace-Edwards UltraGroove tonneau covers. So you can enjoy the advantages of both a retractable tonneau cover and an overbed truck rack.

YAKIMA TONNEAU COVER SKYLINE RACK KIT, MID-SIZE

SKU: YA8001630

A complete base rack system for truck bed Tonneau covers with t-slots or truck caps/camper shells and vehicles with tracks. Includes: 4 SkyLine towers, 2 pairs of Landing pad 1 and 2- JetStream crossbars (152 cm).

YAKIMA GATE KEEPER

SKU: YA8007411

The GateKeeper tailgate pad is a perfect companion for pick-up bed bike transport. The durable nylon exterior protects your bike from your truck's tailgate while the soft felt backing keeps your truck's paint protected. 5 integrated SitTight™ bike cradles add extra stability and protection for your bikes and the HindSight™ tuck-away cover opens up the view for your back-up camera, leaving you with a worry-free shuttle to the top.

YAKIMA ROADSHOWER™ 15L

SKU: YA8004109

Sandy feet, dirty paws, and mud slung bikes. The RoadShower is your trusty sidekick for the convenience of pressurized water in the middle of nowhere. Its dependable attachment to your vehicle or trailer allows you to roam freely. And, while you're out having fun, the sun heats up the water in the tank. Check the thermometer and you can enjoy a hot sun-powered shower, or blast off mac-n-cheese from campsite dishes.

YAKIMA HD BAR, SET

SKU: YA8001157

Our burliest crossbar ever, the HD Bar is the one for heavy loads, rugged terrain and maximum utility. It delivers the muscle our new truck racks demand, and works with Yakima Bedrock, Overhaul and Outpost to get the heavy duty job done right. The engineered aluminum construction provides superior support without weighing things down, integrated tie-down points to simplify load security, and T-slot attachment technology for adding gear mounts the fast, easy way. The Yakima Way. Set contains two HD Bars.

YAKIMA SKYRISE HD

SKU: YA8007437

This exciting addition to our SkyRise Family is your hub for the ultimate mobile base camp in any season. The SkyRise HD tent body is ruggedly constructed with 600D Ripstop polyester fabric and a 3000mm waterproof PU coating. Paired with the weather-shedding waterproof rainfly, you're set for complete protection against the elements. The extra-large windows and doors provide grand views and great ventilation while the thick wall-to-wall foam sleeping pad provides cushy, all-night comfort. Requires utility crossbars or truckbed rack for installation.

 Available in Small and Medium size.

AEC BULLBAR DT

The AEC Frontbar is engineered to meet the owner's highest design and capability standards while also being compliant with registration legislations on all European markets. Made from 2 mm industrial grade AISI 304 stainless steel with a diameter of 76 mm, it protects integral vehicle parts and gives the vehicle a rugged look. Available to match vehicle exterior accents in matte black or polished chrome. Installed in the tow hook mounting points, with license plate bracket mount on the crossbar. E-marked and certified for road legality, compliant with German TÜV regulations.

SIDE STEPS

MOPAR STAINLESS STEEL TUBULAR SIDE STEPS

SKU: 82215300AB

These wheel-to-wheel polished stainless-steel steps combine the classic tubular design with slip-resistant step pads on each side for sure footing. No drilling required.

MOPAR CAB LENGTH PAINTED RUNNING BOARDS, CREW CAB

SKU: 82215301AC

Designed for minimal slippage and maximum looks, these running boards won't rust and are custom designed to the unique forms that distinguish your RAM truck.

MOPAR OFF-ROAD STYLE CAST ALUMINUM RUNNING BOARDS

SKU: 82215508AC

Cast aluminum construction with a rugged texture cover providing anti-slip functionality and an off-road look. Designed to fit close to the vehicle for improved clearance with no drilling and easy installation.

MOPAR POWER RUNNING BOARDS

SKU: 82215287AC

Automatic Power Running Boards retract from a hidden position under the truck when the front or rear doors are opened and return when doors are closed. Power Running Boards feature skid-resistant stepping surface that provides traction when entering or exiting the truck. Black powder-coated finish resists corrosion, pitting, peeling and scratches.

 Same as factory option MR7.

 FITMENT AND INSTALLATION

Displayed partnumbers fit Crew Cab only.

BUSHWACKER FLARES

Not only do Bushwacker Fender Flares offer added protection but they also make room for wider tires giving your truck an aggressive stance! Choose between three styles, each with a different width and overall appearance to complement the look of your truck. Installation requires no drilling – not even for the pocket style flares. All styles come with corrosion-resistant matte black finish and can be used as is or easily color matched to your truck and painted.

FEATURES

- Increased protection
- Accommodates wider tires
- Wider, more aggressive posture
- Made to fit your vehicle
- Easy installation
- Available in multiple styles to suit your application

AEC BY BORLA MUFFLER

Designed specifically for use in Europe on the RAM 1500 DT by the exhaust specialists at Borla Industries, this muffler gives your truck a gritty sound. The considerably deeper exhaust note underlines the long lasting American legacy of the RAM's Hemi pounding under the hood, The AEC Homologation experts made sure during development that this muffler is engineered along sound emission guidelines in Europe, and with that road legal in all European countries.

- FEATURES
- Custom-developed for use in Europe
 - Engineered and manufactured by Borla in the United States
 - Stainless steel
 - Deeper, V8 typical exhaust note
 - No drone at any engine RPM
 - Easy installation
 - High corrosion resistance
 - Replaces stock mid muffler
 - Road legal on all European roads

AEC LED DS HEADLIGHTS

SKU: INS-DORAM-HLC

Designed specifically for use in Europe on RAM 1500 DS, the AEC DS Headlights offer a significant upgrade over the DS factory halogen lights. With DRL, turn signal, low-beam, high-beam functionalities delivered through high output LEDs, these headlights do not only improve vision and illumination area in dark driving conditions, but also completely overhaul the look of your DS RAM truck, giving it a more modern front design. The turn signal can be mechanically set to either traditional or sequential to the owner's preference. Designed as a true Plug-and-Play product, installation is extremely easy and only requires basic tools. Engineered to European legislation and lighting requirements, the lights are E-Mark certified and do not require TÜV-approval or entry in the registration papers. The included adapter kit ensures downward compatibility for all DS trims of model year 2013 and later, with all factory headlight options.

FEATURES

- Custom-developed for use in Europe
- Road-legal on all european roads
- E-marked, no entry in registration papers
- Easy plug-n-play installation
- Extensive model year compatibility
- Better lighting output
- Seamless fit to the body shape
- Turn signal manually settable to sequential or traditional
